PRESENTS

Interlochen “Collage”

July 8, 2025 • 7:30 p.m.
Kresge Auditorium

WELCOME

Welcome to Interlochen!

The artists who are about to perform for you are students at Interlochen Arts Camp, the world's premier summer arts program for creative youth in grades 3-12. Founded in 1928 by visionary music educator Dr. Joseph Maddy, this Camp has served as a source of inspiration and encouragement for nearly a century: a place where talented young artists, expert instruction, abundant performance opportunities, and the beauty of nature converge.

For the past 98 years, artists have been drawn to Interlochen by a shared passion for creativity and a drive to achieve more together. This summer, more than 3,400 young artists from 49 countries and 52 U.S. states and territories have joined us beneath the pines for the experience of a lifetime. During their time at Camp, these students will work with acclaimed instructors, refine their skills, and forge lasting friendships that transcend languages, borders, and backgrounds. They'll walk away with the confidence to pursue their wildest aspirations—whether in the arts or beyond.

Each summer, our students present hundreds of events like this one, many of which are free. I encourage you to join us on campus, over Interlochen Public Radio's airwaves, or via live webcast for more amazing performances in music, theatre, dance, and more.

Thank you for supporting the artists of tomorrow. I hope you enjoy the show!
